

Jim's Testimonials for his "Superteam"

"Rest assured, I only partner with those who are dedicated to my mission and whose products and services I believe in."

~ Jim Dreyer

[Aquaman](#) makes the best performance wetsuit on the market. When you wear a wetsuit as much as I do, you don't want to settle for anything less.

Over the course of an ultra-marathon swim, it is paramount to reduce friction and restriction of movement as much as possible to reduce fatigue and the breakdown of muscle tissue ... and keep skin on your body. *Aquaman* makes the most comfortable, form-fitting suit that moves with you when you swim ... and is easy on and off for multi-sport events.

My *Aquaman* partnership is a perfect marriage ... built on performance.
